A meeting is needed before the nationals. Wednesday 6.30pm in the HIVE. **Patch** to book the HIVE. Everyone needs to pay then. If they can't make it, e-mail Hopson. All the transport arrangements will be sorted out then. Whose going with who, whose in the minibus etc.

Minibus will leave at about 5 on Friday evening.

Sessions:

Wednesday: Robin will be the S.I for the session. Everyone going to nationals needs to attend Wednesdays session to help pack up boats and to pay then. If they can't make it, they need to e-mail patch to pay. Marko has booked it with Mount Battern today. General and racing session. Marko won't be there and he is towing the two 2000's so they need to be packed up. All the boats need to be fully packed up ready to put straight on the cars.
