10th October is a possibility. 2 Weeks away!! Izzy and Pete have got their minibus test on the 7th so if they pass this weekend could be a possibility.

Amy is going to see if we can book the two minibuses tomorrow for that weekend and if the buses are free then we will go for that weekend of the 10th.

Wednesday Session:

2 PPS RIBS taking people to and fro from Mount Battern

Meet at QAB, £1 each for the members each way.

We need people to go early to set up the boats as most of the people attending are beginners. Some need fixing with Duct Tape.

Marko will ring Lesley tomorrow to try and get Mount Battern to pay for the Mast for one of the fireflies.

Some people need to meet some of the new members at 1.15pm. Izzy and then Lindsay will bring people a bit later.

Everyone needs to send B anything they want to put in the next e-mail

B needs to send the club e-mail and password out to everyone so they can access it.

We could do it at 6 next Monday before a quiet social.

We can get it from the HIVE and members would need to bring a photo and then could get there card from there.
