

01/10/09

Attending: BB, HC, JB, AP, IGT, JA, LS, MGT, AP, PJ, EB, MC, SM

Apologies: JH

Membership cards:

45p each to make.

We can do it sometime next week

Charge £1 to all members

They will need it at each sailing session and then at all socials in order to get the cheap drink deals at Pit Bar etc.

Patch is talking to the guy and waiting to hear from him when he can get the cards for us to do it.

We could do it over 3 evenings 5 - 7pm. Maybe Tues, Weds and Thursday?

Wait until Patch hears and then we will sort it out from there.

Each member would need a passport sized photo in order to get a card.

Review of Wednesday's session:

About 25-30 people attended. It was manageable. 43 people were signed up and so some people didn't turn up.

We got £42 from using the PPS RIBS and ferrying people around. We could do it every week and make money to cover our fuel costs. Maybe just keep running it for the next couple of weeks while the taster sessions are on and then as the number of people decreases just stop running our ferry.

The only thing that didn't quite work was getting everyone in. That needs to be more organised. One RIB needs to be offshore and getting people in orderly!

Getting all the boats rigged beforehand and on the slipway worked really well. So we should do this every week, make sure there are a few members off the committee are there 30/40mins before the session begins. It could take half-an-hour to get all the boats rigged and on the slipway.

Saturday and Sundays Session:

Currently 28 people signed up to this session.

Pinky can run Saturday's session.

We only have 5 fireflys because we still don't have a new mast for the broken one.

We might be able to get 1 PPBS RIB and that would help with numbers.

We need to find out definite numbers for the sessions. B will e-mail the people signed up. Marko will ring PPBS to find out if we can have their RIB as well as the Mb RIBS.

Marko is around for both Saturday and Sundays session to be the S.I

*Proudly Sponsored By: **Plymouth Powerboat School***

If we have PPBS RIB we should do the ferry from QAB

Hopson, Izzy, Bradbury and Lizzie can't be here for either sessions at the weekend.

For Saturday we will meet people at 12.15, first ferry at 12.30 last ferry at 1. Henry and Maya will meet people at Pit Bar at 12.15 to take them across to QAB. Aim to be on the water at 1.15/1.30.

Same procedure as Wednesday.

Pinky and Rupert are going to MB early Saturday at about 11 to sort the boats out.

Hopson will run Sunday's sessions. Same times meeting people as Saturday Patch and Maya will walk people.

Wednesday 7th session will be the same as last Wednesday. 1.15 Maya will meet everyone at Pit Bar, 1.45 Lizzie will take some and at 2.15 Lindsay will meet the late people and take them to QAB.

Roadford

Now it is Sibblyback. It is nearer, 47 min journey rather than 1hour 1min!

Rupert needs to ring to book the weekend of 16th-18th October.

Patch will check that we have the minibuses for that weekend.

Once Rupert has spoken to them we will sort out more details. We also need to speak to A and E to get the tents for that weekend, its £5 per tent. Marko will speak to his friend on the committee to see if we can get it cheaper as we had it for £1 per tent last year.

We have 2 tow bars in the committee, Phipps has a tow bar and if he comes then we can get him to tow.

We need to speak to MB about taking one of their RIBS, Steve Lang was on about maybe getting at PPBS RIB too.

Rupert to find out about Tow Bar, Tents, Boats etc

Trips:

Powerboat trip: Scillys trip – 10th/11th October? 2 RIBS and a motor cruiser. Try and keep it at £45 per person. Last year the club contributed £300 to the trip. Marko hoping to take 24 people. Powerboat hire, fuel, boat hire, camping but they would need to take food for themselves. B need to include this in the next e-mail.

Izzy has got team racing trials this weekend.

Mount Battern:

Approved Students – Marko, Frary

That runs out in 2 weeks so we need to have a induction session with Mount Battern to get new people signed up to that.

Tim said inducting S.I's in his e-mail. Rupert, Pinky, Izzy and Hopson would be worth doing this. Marko needs to renew his.

Next Friday late afternoon after 3. Mark needs to e-mail Tim when he is free, Tuesday afternoon 3 people could do it.

Look into discounted sessions for S.I's through MB. £100 S.I courses for students.

Team Racing:

Tuesday 6th 6pm-7pm for a team racing meeting.

Izzy will book the HIVE for then and send out an e-mail.

Boats:

Duct taped one of the boats, one mast has no halliad in it because Frary took it.

Pinky and Rupert will sort the boats out Saturday morning including fixing the Mast.

We need 2 more shackles. We also need Split Pins. Pinky should try and get them through Mount Battern.

Freshers T-Shirts:

These need to be re-printed with Plymouth Power Boat School on them.

Marko has them at his house.

Emma will ring Excel to see if they can do them.

Once they are done we will raffle them off.

Bar Tab:

Raffle tickets 20p per ticket, A strip for £1

Fleet Racing:

Hospon needs to get onto this.

Monday Social:

Disney Theme.

Meet at Pit Bar at 8pm then onto Oceana.

Next Meeting:

Monday 6.30pm at Pit Bar
