Chair and Treasurer Speeches-

Commodore speech by Pete Johnson: speech given summarising year, support from outside businesses mentioned, apologise for slow sessions start, congrats for fleet racing results and Devon Destroyer – aim to get more people next year, Christmas dinner was fun, team racing play offs coming up- events still to come. Aims for next year – more members, Devon Destroyer, helpers to run sessions – get more people out on the water.

Treasurer speech by Amy Patch: speech given summarising how we have spent the finance throughout the year. Mention of the initial pub crawl, Freshers Fair and The first Booze cruise. Fleet nationals where we broke even, Christmas dinner and Devon Destroyer. We invested in new sails for the fireflies and a video camera. We had another booze cruise due to the success of the other one and we have got the March Madness social tonight. We are yet to spend money for the Roadford and Bovisand trips. We subsidised the majority of team racing events making it only £35 to go and we are hoping to subsidise 5 people to get their S.I courses in order to get more session running.
