Izzy and Hopson need to talk about it and organise it. Marko will be the S.I for the session on Saturday.

We need to get authority to run the event; Marko is trying to get this sorted. We should be able to get permission.

18th cut off for cheap entry.

Advertising needs to be sorted for the event.

Yachts and Yachting might be able to help us out on that. Lizzie and Pinky will get onto this.

Dingy Sailing – Lizzie will do this as well and send them the same letter as Yachts and Yachting.

Disney songs – When a Disney songs come on everyone has to sit down / sexy dance / dance like the animal that the film is based on! Beauty and the Beast – Ballroom dancing, Jungle Book – Monkey dance etc.

Photo shoot:

One of Jon's friends wants to take pictures of people with marine connections. So he could come along to a session go out on a RIB and then he would give us copies of the photos. Wednesday 14th.

Session on Saturday 3rd:

A lot of boats got quite damaged!

Session ran smoothly and it worked but we need to try and push for another Mount Battern RIB as trying to do safety for everyone didn't really work. Too many boats for the amount of RIBS.

Group control wasn't quite what it should have been. Racing sessions need to have more of a plan so everyone stays together.

Thursday Booze Cruise

Next Meeting:

Monday 12th 6.45pm Pit Bar
