Boats:

We should be getting our mast at some point this week.

We lost a spare wheel in Cardiff, they still haven't got back to us whether they have found it. **Izzy** needs to get onto this.

Petrol money is coming through with the session fees for Cardiff too.

Fireflies are going to be refurbished, Portsmouth are giving us £400. We need to find out all the things we need to do to the boats – how much it will cost, whether it needs to be done professionally or whether we can do them. This needs to be done at the start of next term. Get about 20 people down and set aside a day to do the boats up, take photographs as we are serious about selling them.

Hopson got a letter through from the police about the mugging and we are going to get our £60 back. Patch to give Hopson the details of the account the police to pay the money into.

For 8 people - £120 for the bus there and back.

We need to try and sell the rest of the tickets tonight and at the Devon Destroyer.

Articles:

Izzy and Hopson to write about 250 words about racing so far this year.

Look at what last years reports were like.

Write them by the end of term.

Mention the sponsors!

Team Racing:

Following the meeting on the 25<sup>th</sup> November we need to assess how we are running the team racing side of things.

Training sessions for the New Year to be in the teams.

Possibly run sessions during the week not just on Wednesdays, so we don't miss out when the wind strength stops us getting out on the water.

Teams being arranged for events need to be organised a lot earlier. This means we will know the availability of people competing, we can collect money earlier, have commitment from everyone and then people will go to

training. Izzy needs to make sure that teams are picked 2 weeks before the event. Also a reserve list of people for events should be made in case some people can't make it. Get the money off people 10 days before the event.

E-mail in the New Year to be sent out to push for other members to get involved in team racing. **Izzy** to do so in the new year.

4 Team-Racing Events next term:

Qualifies

Exeter – the first event

Warwick

Reading
